

eVerge Group Achieves Oracle Certified Advantage Partner Status

Plano, Texas (May 12, 2009) Software integrator, eVerge Group, today announced that it has been awarded Certified Advantage Partner (CAP) status by Oracle. This partner status is the highest level of membership recognized within the Oracle PartnerNetwork (OPN) and is awarded to fewer than 5% of Oracle's nearly 20,000 partners. CAP status was granted in recognition of eVerge Group's level of expertise, customer satisfaction and history of successful Oracle software implementations.

"This Certified Advantage Partner recognition is confirmation of the reputation we have built as a highly competent company with a track-record of delivering successful Oracle software implementations for our clients," according to Esteban Neely, president of eVerge Group. As a Certified Advantage Partner, eVerge Group receives the highest level of dedicated account management and support from Oracle, enabling eVerge to provide an even higher level of service to their clients.
