

## **eVerge Group Expands Oracle Practice**

**Plano, Texas (September 4, 2008)** – eVerge Group is pleased to announce the addition of Michael Konrad as Sales Manager – Business Development. The addition of Michael to the team is the result of eVerge Group's expansion of its CRM, ERP, Master Data Management, and Business Intelligence consulting practices. Michael's efforts will be focused on expanding Oracle applications and eVerge Group implementation services to our joint customers. "We're seeing companies make strategic decisions leveraging Oracle solutions," according to eVerge Group president, Esteban Neely. "We're excited about bringing in Michael, who has an extensive background with Oracle solutions, to provide our customers with innovative solutions using Oracle applications and eVerge Group implementation services."

Michael joined Siebel Systems in 1999. He then transitioned to Oracle as part of their acquisition of Siebel Systems in 2006. Michael achieved ten consecutive years of success at Siebel Systems and Oracle Corporation. As a Sr. Regional Manager for the West CRM commercial OD team, his team focused on demand generation and sold the various lines of Oracle CRM applications. Michael lives and works out of the bay area in northern California.
