

eVerge Group Awarded Platinum Partner Status by Oracle

Plano, Texas (February 2, 2010) Software integrator, eVerge Group, today announced that it has been awarded Platinum Partner status by Oracle. This partner status is the highest level of membership recognized within the Oracle PartnerNetwork (OPN) and is awarded to fewer than 5% of Oracle's nearly 20,000 partners. Platinum Partner status was granted in recognition of eVerge Group's level of expertise, customer satisfaction and history of successful Oracle software implementations.

"As a Platinum Partner in OPN, eVerge Group has established its depth and breadth of the expertise across key Oracle solution areas, including Enterprise Resource Planning, Customer Relationship Management, Business Intelligence, Master Data Management and Enterprise Content Management." according to Esteban Neely, president of eVerge Group. As a Platinum Partner, eVerge Group receives the highest level of dedicated account management and support from Oracle, enabling eVerge to provide an even higher level of service to their clients.

About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to differentiate through certified Specializations. Specializations are achieved through competency development, business results, expertise and proven success. Specialized partners are preferred by Oracle and recognized by customers.
